

Job Description: Software Engineer

Company: Adya AI Solutions

Location: Remote

Job Type: Full-Time

Job Summary:

We are looking for a highly motivated and skilled Software Engineer to join our dynamic team. The ideal candidate will have experience with software development and a strong background in programming languages, frameworks, and platforms. This role involves working with cross-functional teams to design, implement, and maintain applications.

Key Responsibilities:

- Develop, test, and maintain high-performance, scalable, and reliable applications.
- Collaborate with teams to design system architecture and software solutions.
- Ensure high-quality code by writing unit tests and performing code reviews.
- Integrate applications with third-party services and APIs.
- Optimize applications for maximum performance and scalability.
- Stay up-to-date with the latest trends in technology and software development.

Required Skills:

- **Programming Languages:** Python, Java, C++, JavaScript, SQL
- **Frameworks/Libraries:** React, Node.js, Django, Flask, Spring Boot, Express
- **Tools/Platforms:** Git, Docker, Kubernetes, AWS, Azure, Firebase, Jenkins, Jira
- **Databases:** MySQL, PostgreSQL, MongoDB
- **Operating Systems:** Linux, Windows
- **Additional Skills:** Strong problem-solving abilities, experience with cloud platforms, and knowledge of agile development practices.

Educational Qualifications:

- **Degree:** Bachelor's or Master's in Computer Science, Information Technology, or related fields.
- **CGPA Requirement:** Minimum CGPA of 7.5/10 or equivalent in the most recent degree.
- **12th Percentage Requirement:** Minimum of 80% in 12th (Class XII) or equivalent.
- **10th Percentage Requirement:** Minimum of 85% in 10th (Class X) or equivalent.

Preferred Skills:

- Experience with machine learning algorithms and AI-based applications.
- Knowledge of front-end technologies like HTML5, CSS3, and JavaScript frameworks.

- Strong understanding of data structures and algorithms.

Additional Information:

- Location: Remote with flexible work hours.
- Competitive salary and benefits.
- Great learning opportunities and career growth.
